Billing will be based upon the final guest count or the actual count whichever is greater. In the instance that there is no final count given, the estimated count, should it be greater than the actual count, will be the number used for billing purposes.

Cancellations require a 10 business day minimum, with the exception of Holiday Parties. Should the event be cancelled after this time frame, the result is the loss of the \$250.00 deposit. All Holiday Parties cancelled after December 1st will result in loss of deposit.
